| | 28/11/2022 | Under the Freedom of information Act 2014, I am requesting details regarding scope of mutations or Genotypes included in the supply/ purchase contract / portfolio agreement with a named company for Kaftrio in Ireland. This may be detailed in one or more documents or lists. I believe that at least some of this is in a "2017 portfolio agreement" but may also be included in other document(s) For example, I would like to see whether patients heterozygous for F508del in the CFTR gene with a minimal function (MF) mutation are included or excluded, or mentioned in any way. I am keen to see any listed mutations, or any details of mutations included as a second mutation. (I do not require financial or personal data but simply the scope of patient genotypes included in the supply agreement and am happy for any financial or commercial details to be redacted or deleted.) | Granted | 27/12/2022 |
