Section B: Information Specific to Registered Nurses and Registered Midwives for the administration of the Live Attenuated Influenza Vaccine (LAIV) Fluenz Tetra to all children between 2-17 years of age for the 2023/2024 influenza season

Statutory Instruments No. 245 of 2021 and 422 of 2023 enables health care professionals (including registered nurses and registered midwives) who are COVID-19 vaccinators as professions that can administer Live Attenuated Influenza Vaccine (LAIV) Fluenz Tetra to all children between 2-17 years of age for the 2023/2024 influenza season.

In order to administer the vaccine, registered nurses and registered midwives must be familiar with the medicine protocol for the administration of the LAIV Fluenz Tetra. Registered nurses and registered midwives must also have completed the Self-Assessment of Competency Form included in this section. The medicine protocol and the Self-Assessment of Competency Form are available at www.immunisation.ie

Registered nurses and registered midwives must have attained the professional qualification, training and competence requirements as listed below in order to be eligible to administer LAIV Fluenz Tetra using the HSE master medicine protocol for this vaccine.
