Definitions

Target Population = All children in Junior Infants on the school register on 30th September 2023 + special school children (i.e. born between 01/09/2018 and 31/08/2019) on the school register on 30th September 2023

Total number given **Tdap/IPV** = number vaccinated in schools (including special schools)

Total number given **MMR** = number vaccinated in schools (including special schools)

Number in school identified as needing **2nd dose MMR** = those children identified as getting 1st dose MMR in school in 2021/2022 and therefore need a second dose one month later.

Outside cohort = All children OUTSIDE OF Junior Infants on the school register on 30th September 2023 + special school children (i.e. born between 01/09/2018 and 31/08/2019) on the school register on 30th September 2023
