PQ 18514/22 * To ask the Minister for Health the status of a primary care centre (details supplied). -Sean Sherlock

Details supplied: Primary Care Centre Douglas Cork City

Dear Deputy Sherlock,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question which you submitted to the Minister for Health for response.

The HSE is seeking to deliver a Primary Care Centre (PCC) at Douglas, Cork City via the HSE Primary Care Centre Operational Lease mechanism.

The proposed PCC in Cork City, (Douglas/Frankfield/Grange), was included in the latest national advertisement seeking expressions of interest from third parties for the Provision of Primary Care Centres via Operational Lease.

The selection process is at the final stage. Interested parties that met all qualifying criteria were issued with letters inviting them to submit a priced offer. The priced offer is to be the best and final offer for the development and operation of a Primary Care Centre in this location. It is expected that this process will proceed to the next stage of contract award by the end of Quarter 2, 2022.

Yours sincerely,

Paul de Freine
Interim National Director,
Capital & Estates
