The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question which you submitted to the Minister for Health for response.

The new 50 bed CNU in Clonmel is included in the bundle of CNU being delivered by way of Public Private Partnership (PPP). It is anticipated that the construction of the new 50 bed Community Nursing Unit in Clonmel will commence construction in 2022 and will be completed in 2024.

Yours sincerely,
