Deputy David Cullinane
Dáil Éireann
Leinster House
Dublin 2

21st November 2023

PQ 49732/23: To ask the Minister for Health the number of patients who attended an emergency department for October for each year 2019-2023 inclusive, Statewide and by location, in tabular form; the number and percentage of patients who were admitted via an emergency department; the number and percentage who were waiting 0-6 hours, 0-9 hours, 9-24 hours, and 24+ hours; and the number for all patients, the number and percentage for patients aged under 75 years, the number and percentage for patients aged over 75 years. - David Cullinane

Dear Deputy Cullinane,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary question, which you submitted to the Minister for Health for response.

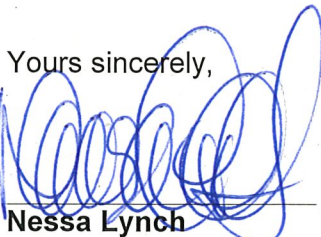

The information requested has been provided in the attached Excel file supplied by the Acute Business Intelligence Unit (BIU).

The BIU within the HSE comprises of a central repository for activity information for Acute and Non Acute Services. This data is used in performance monitoring and measurement, which influences the HSE in taking both operational and strategic decisions.

Data has been provided for all age categories and for over 75s.

I trust this is of assistance to you.

Yours sincerely,

Nessa Lynch
General Manager
Acute Operations
