

Ref: PQ 49811/23

26<sup>th</sup> March 2024

**Deputy Joan Collins**  
**Dáil Eireann**  
**Dublin 2**

Dear Deputy Collins

I refer to your below parliamentary question which has been forwarded to me for attention.

**PQ 49811/23 – To ask the Minister for Health the number of WTE radiographers by grade working in both CHI Temple Street and CHI Crumlin in the years 2022 and to date in 2023, in tabular form.**

**Children's Health Ireland (CHI) Response:**

Please see information you require from Children's Health Ireland below.

**Whole Time Equivalent (WTE) Radiographers by grade working in both CHI Temple Street and CHI Crumlin:**

| 2022                 |                              |                                  |        |             |       |
|----------------------|------------------------------|----------------------------------|--------|-------------|-------|
|                      | Radiography Services Manager | Clinical Specialist Radiographer | Senior | Basic Grade | Total |
| CHI at Temple Street | 1.8                          | 11                               | 11     | 6           | 29.8  |
| CHI at Crumlin       | 2                            | 8.8                              | 18.5   | 8           | 37.3  |

| 2023                 |                              |                                  |        |             |              |
|----------------------|------------------------------|----------------------------------|--------|-------------|--------------|
|                      | Radiography Services Manager | Clinical Specialist Radiographer | Senior | Basic Grade | Total        |
| CHI at Temple Street | 2                            | 9.03                             | 14.5   | 8           | <b>33.53</b> |
| CHI at Crumlin       | 2                            | 9.8                              | 19.5   | 6           | <b>37.3</b>  |

Additional notes:

- As a reference point, data in above tables is as at 15<sup>th</sup> of January of each year. The number of radiographers in post will vary from month to month.

Yours sincerely

Dr. Ike Okafor  
 Clinical Director
