Deputy Gino Kenny,
Dáil Éireann,
Dublin 2.

PQ 50031 23

To ask the Minister for Health given the protective notice that the staff at a Clondalkin-based support centre for drugs and alcohol intervention programme Neart Le Cheile, have been issued and when funding will be made available to the project next year; and if he will make a statement on the matter.

Dear Deputy Kenny,

The Health Service Executive has been requested to reply directly to you in regard to your parliamentary question, which you submitted to the Minister for Health for a response. I have examined the matter and the following outlines the position.

The Health Service Executive can confirm that both the HSE and the Clondalkin DTAF continue to work closely with the Neart Le Cheile project. The project receives funding from the HSE quarterly and has received some of the allocated funding for 2024, with further funding pending.

I trust this information is of assistance to you but if you have any queries or require any further information please do not hesitate to contact me.

Yours sincerely,

Brian Kearney
