	<ul style="list-style-type: none"> • Under Management the nursing home was compliant with 23 out of 23 regulations. On the basis of this inspection and under current nursing home regulations, the inspection team would consider the nursing home to have a good standard of management.
	<ul style="list-style-type: none"> • Under Physical Environment the nursing home was compliant with 11 out of 11 regulations. On the basis of this inspection and under current nursing home regulations, the inspection team would consider the nursing home provides a good Physical Environment for residents.
All regulations, their reference numbers and the details of those regulations can be viewed in Nursing Homes (Care and Welfare) Regulations, 1993 .	
<h2>Comments and Recommendations</h2>	
Comments and recommendations made by the inspection team as a result of the inspection	<ol style="list-style-type: none"> 1. A Triplicate accident report form should be introduced as recommended in previous report 2. Measures to enhance <i>Infection Control</i> in the home should include <ul style="list-style-type: none"> • Installation of a bed pan washer. • Glove & apron dispensers on each corridor • Although staff carry personal alcohol dispensers, alcohol gel dispensers should be available on each corridor and at the entrance for use by visitors. • MRSA policy should be amended as discussed. 3. Plan a redecoration programme to maintain the ambiance of the home. 4. Fire Drills: all fire training/practices should be documented. 5. Consider extending current service contract to include regular servicing of all relevant equipment
