Inspection Report

Re: Inspection of Ard Na Ri Nursing Home Holycross Bruff Co. Limerick under the Health (Nursing Homes) Act, 1990 and the Nursing Homes (Care & Welfare) Regulations 1993

Dear Ms. Heyworth & Mr. Paterson,

The Health Service Executive Nursing Home Inspection Team from a medical and Environmental Health perspective inspected Ard Na Ri Nursing Home on 12/04/07.

The inspection commenced at 10.30am and was completed by 12.30pm. This inspection was unannounced.

There were twenty four residents on this date. The Nursing Home is currently fully registered for twenty five residents.

The above nursing home was found to be in substantial compliance from a Medical and an Environmental Health perspective under the Health (Nursing Homes) Act, 1990 and subsequent Regulations at the time of inspection.

Recommendations:

1. At inspection one packet of clean incontinence wear was stored in a press in the sluice room. It is recommended that this practice cease in the interest of infection control.
2. At inspection some items associated with maintenance were placed in the laundry. It is recommended that these be removed to the maintenance shed.
3. You are requested to submit a copy of you brochure to the Inspection Team.

Signed:

**Senior Medical Officer
Nursing Home
Inspection Team**

**Principal Environmental Health Officer
