**PQ 18283/20** \* *To ask the Minister for Health the activity volumes per month at each of the 18 private hospitals which were part of the provision of public health services in private hospitals as a response to the Covid-19 pandemic covering the full duration of the agreement, including but not limited to inpatient, outpatient, elective and all other activities and procedures undertaken under the agreement; and the costs associated with each collectively and at each hospital which was party to the agreement; and if he will make a statement on the matter. -Marc MacSharry*

Dear Deputy MacSharry,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response.

I attach for your information the attached activity volumes under the agreement with the private hospitals, per month (April, May and June 2020), at each of the 18 private hospitals as requested.

The information which you have requested in relation to the costs associated with the agreement is commercially sensitive and therefore cannot be provided.

I trust that this is of assistance

Yours sincerely,

---
