PQ 48463/21 *To ask the Minister for Health the number of delayed discharges at the end of September 2021 for each public and or voluntary hospital in tabular form; and the total number to date in 2021.*

Dear Deputy Lahart,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response.

As a result of the cyberattack on the Health Services Executive there are significant data gaps pertaining to the months of May, June and July. As a result a “Year to date” position is not available. When the data is available an update can be provided.

I trust that this answers your question.

Yours sincerely,

Angela Fitzgerald
Deputy National Director
Acute Operations
