Re: 2887.22

To ask the Minister for Health the number of staff who are currently on the diabetes pro-wellness team at Letterkenny University Hospital; the person who is the lead staff member; and the number of staff who have been relocated to Covid-19 care in recent times. -Pádraig Mac Lochlainn

Dear Deputy,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question/Public Representation which you submitted to the Minister for Health for response. I have examined the matter and the following outlines the position.

There is currently 1 staff member in prowellness with 1 vacancy.

1 diabetic nurse was redeployed for a period of 1 week and the other for a period of 1 week and the service was still maintained.

I trust this information is of assistance to you but should you have any further queries please contact me.

Yours Sincerely,

**Seán Murphy
General Manager
Letterkenny General Hospital**
