Re: 53533/23

Dear Deputy Smith,

I refer to the Representation seeking the number of health-related recruitment fairs held in the UK where staff from the Mater Hospital were present and the number of job offers per recruitment fairs, which has been referred to the Ireland East Hospital Group for direct response.

I have had this matter examined and am advised There have been no job offers as yet from either recruitment fair in Belfast and the RDS.

I trust this information is of assistance to you.
