To ask the Minister for Health the number of WTE consultant anaesthetists working in Mallow general Hospital in 2022 and to date in 2023, in tabular form.

Dear Deputy Smith

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question which you submitted to the Minister for Health for response. I have examined the matter and the following outlines the position.

There is 1 WTE Anaesthetist employed by MGH, who works full time between CUH (70%) & MGH(30%). The Anaesthetic service is cover by agency staff for the remainder of the time.

I trust this information is of assistance to you but should you have any further queries please do not hesitate to contact me.

Yours sincerely,

Mr. David Donegan
Chief Executive Officer
