PQ 53757 - To ask the Minister for Health who the highest-level public servant is in Waterford University and what title they fall under.

Dear Deputy Murphy

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response. I have examined the matter and the following outlines the position.

I can confirm that the highest level public servant at University Hospital Waterford is the grade of General Manager UHW/KROH.

I trust the above is satisfactory but if you have any queries please do not hesitate to contact me.

Yours sincerely,

Ben O'Sullivan
