RE: PQ 54037/23

"To ask the Minister for Health for an update on a development (details supplied); the details of the proposed site; the timeline for the development; and if he will make a statement on the matter"

Primary Care Centre, Ballaghaderreen, Co. Roscommon

Dear Deputy Kerrane

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question which you submitted to the Minister for Health for response. I have examined the matter and the following outlines the position.

Planning has been secured for the development; the developer is currently finalising the suite of documents required to complete the Agreement for Lease. It is hoped to have these in place and agreed early in 2024 with a view to site commencement thereafter. Exact timelines cannot be confirmed as yet until the documentation is in place.

I trust this information is of assistance to you, but should you have any further queries please contact me.

Yours sincerely

Mary Warde
