Re: PQ 54467/23

To ask the Minister for Health the number of young persons on CAMHS waiting list waiting on ADHD supports; and the length of time that young persons with ADHD are on CAMHS list in CHO7

Dear Deputy Murphy,

I refer to the above parliamentary question that you submitted to the Minister for Health, the Minister has asked that the HSE respond directly to you. I have examined the matter and the following outlines the position.

At present there are 172 young people on the waiting list, where Primary referral issue includes Hyperkinetic disorders/problems: Includes ADHD and other attentional disorders.

The current wait list is as follows:

| Waiting Time | Number |
|---------------------|---------------|
| (0-3 Months) | 61 |
| (3-6 Months) | 62 |
| (6-9 Months) | 33 |
| (9-12 Months) | 10 |
| (12 Months +) | 6 |
| Total | 172 |

This does not include the area of CHO7 served by Lucena CAMHS.

I trust this information is of assistance to you.

Yours sincerely,

Kevin Brady,
Head of Service Mental Health,
HSE Dublin South, Kildare and West Wicklow Community Healthcare
