Deputy Michael Ring T.D.,
Dáil Eireann,
Leinster House,
Kildare Street,
Dublin 2.

8th April 2024

PQ Number: 54556/23

To ask the Minister for Health the rate of payment, under the fair deal scheme, to nursing homes when this scheme was first introduced in 2009; to outline the increases that were approved and paid since then; and if he will make a statement on the matter.

Dear Deputy Ring,

The Health Service Executive (HSE) has been requested to reply directly to you in the context of the following Parliamentary Question, which was submitted to this Department for response.

Details of weekly cost of care for registered Nursing Homes at the commencement of the Nursing Homes Support Scheme (NHSS) in October 2009 along with current weekly rates are included within Appendix 1.

Please note that data is provided on Nursing Homes registered with HIQA in March 2024 and who receive funding under NHSS. Current HIQA registered Nursing Homes that did not have a weekly cost of care rate in October 2009 are identified as "No 2009 Rate". Nursing Homes are classified as being Public, Section 38 funded or Private. The latter group have a maximum pricing agreement with the National Treatment Purchase Fund.

I hope this clarifies the position.

Yours sincerely,

Ultan Hynes
Head of Service – Nursing Homes Support Scheme
