Dear Deputy Murphy,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question which you submitted to the Minister for Health for response. Due to the recent industrial action by management and administrative grade staff in Forsa union in the HSE, there were delays in the processing and answering of Parliamentary Questions. We apologise for any inconvenience this may have caused.

Please find enclosed details of capital projects which are presently in development at Naas General Hospital (Appendix 1) as requested. The projects at Naas General Hospital are at an early stage of the design and planning process.
