**Re: REPDR/23/50605**  
"To ask the Minister for Health the number of WTE consultant urologists at Mayo University Hospital in 2022 and to-date in 2023, in tabular form." -Duncan Smith

Dear Deputy Smith,

I refer to the above representation:

There is an allocated visiting service for Urology to MUH from Galway. This service was paused during Covid, and we are currently trying to re-establish this, supported by either a day case list or a flexible cystoscopy list.

Currently our urology patients are seen in Galway by a designated consultant for May patients.

Thank you for your query, I hope this clarifies the matter.

Kind Regards,

---
