PQ 51105/23* To ask the Minister for Health the status of the planned build of a primary care centre in the Rathmines/Terenure/Limekiln area; and if he will make a statement on the matter. -Francis Noel Duffy

Dear Deputy Duffy,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question which you submitted to the Minister for Health for response. Due to the recent industrial action by management and administrative grade staff in Forsa union in the HSE, there were delays in the processing and answering of Parliamentary Questions. We apologise for any inconvenience this may have caused.

The HSE is concluding the process of purchasing a site from Dublin City Council with the intention of building a Primary Care Centre in the Rathmines area.

In addition, the HSE is reviewing options for the delivery of a new Primary Care Centre in the Terenure area. An exercise is underway to identify suitable site options.

Yours sincerely

Brian O'Connell
Interim National Director
