Dear Deputy Sherlock,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question which you submitted to the Minister for Health for response. Due to the recent industrial action by management and administrative grade staff in Forsa union in the HSE, there were delays in the processing and answering of Parliamentary Questions. We apologise for any inconvenience this may have caused.

The development of the proposed new Ambulance Base at Mallow is an approved project that is progressing through the design process.

The proposal is recommended for consideration and inclusion in the 2024 Capital Plan currently being finalised.

Yours sincerely

Brian O'Connell
