**PQ 51421/23\*To ask the Minister for Health if there are properties in the Pettigo area of County Donegal that are owned by the HSE but not currently being used; and if he will make a statement on the matter. –Pearse Doherty**

Dear Deputy Doherty,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question which you submitted to the Minister for Health for response.

The HSE own a terraced property at Mill Street, Pettigo, Co. Donegal which was formerly used as a Health Centre. This property is surplus to HSE requirements. HSE legal agents are working on rectification of title in order to prepare the property for disposal.

Once title is in order, the property will be disposed of in line with the HSE Property Protocol and the Department of Public Expenditure, NDP Delivery and Reform Circular 11/2015, where the property will be offered the property to all State Stakeholders through the Intra-State Property Register.

If no interest is expressed in the property by any State Stakeholder, the HSE will then progress the disposal of the property on the open market in line with the Department of Public Expenditure, NDP Delivery and Reform Circular 17/2016 and the HSE Property Protocol.

Yours sincerely

---
