PQ 51515/23* To ask the Minister for Health if resources are in place to provide a primary healthcare centre in Collinstown, Clondalkin, Dublin 22; if he will provide an update on the provision of this; and if he will make a statement on the matter. -Mark Ward

PQ 51516/23* To ask the Minister for Health the status of the disposal of land to provide a primary healthcare centre in Collinstown, Clondalkin, Dublin 22; and if he will make a statement on the matter. -Mark Ward

Dear Deputy Ward,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question which you submitted to the Minister for Health for response. Due to the recent industrial action by management and administrative grade staff in Forsa union in the HSE, there were delays in the processing and answering of Parliamentary Questions. We apologise for any inconvenience this may have caused.

A suitable site has been identified for the development of Rowlagh Primary Care Centre in Collinstown, Clondalkin, Dublin 22.

The transfer of a plot of land from the Department of Education and Skills, and the Dublin Education and Training Board to the HSE is required to progress the delivery of this Primary Care Centre. The Head of Terms for this land transfer has been agreed by all parties and work is underway to conclude this process.

A Design Team is in place and has progressed the Primary Care Centre design in parallel with the conclusion of the land transfer. Planning Permission has already been granted for the Primary Care Centre and the project is ready to go to tender for a contractor once the land transfers from the Department of Education and Skills and the Dublin Education and Training Board has concluded.

Yours sincerely
