To ask the Minister for Health the number of x-ray machines currently available for usage in Croom Orthopaedic Hospital in 2023 and to date in 2024, in tabular form.

Dear Deputy Smith,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question which you submitted to the Minister for Health for response.

I have been in contact with the relevant staff and I have been informed that there is one x-ray machine in place at Croom Orthopaedic Hospital.

I trust this clarifies the position, please contact me if you have any further queries.

Yours sincerely,
