PQ 14349/24*To ask the Minister for Health for an update on proposals for an enhanced community care facility in an area (details supplied: I have received a query from Peppard Investments, the owners of the Central Hotel in Mallow regarding a proposal they made to the HSE for an "Enhanced Community Care Facility" for the North Cork area at that site. I was wondering if you could enquire as to whether this is a bidding or tendering process, what stage that might be at, how long it is likely to be taken for a decision to be made, whether they have received many other bids, etc.); and if he will make a statement on the matter. - Pádraig O'Sullivan

Dear Deputy O'Sullivan,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question which you submitted to the Minister for Health for response.

A number of bids were received for the enhanced community care competition and these bids will be assessed on a cost and quality basis.

The assessments are taking place this month with bidders being notified of the outcome thereafter.

Yours sincerely

**Brian O'Connell
Interim National Director
