Re: PQ 15027/24 - To ask the Minister for Health what plans the HSE has for the building in Laytown, County Meath that previously housed the Laytown Healthcare Unit; if the building could be released by the HSE for community use; and if he will make a statement on the matter – Ged Nash

Dear Deputy Nash,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response. I have examined the matter and outlined the position as follows.

The HSE are currently considering selling the property. Should the decision be made to dispose of it, the property will firstly be offered to other state bodies including Meath County Council in line with HSE's Property Protocol.

I trust the above is in order but please do not hesitate to contact me should you have any further queries in this regard.

Yours sincerely,

Margaret Kelleher
