Deputy David Cullinane,
Dail Eireann,
Leinster House,
Kildare Street,
Dublin 2.

19th April 2024

PQ Number: 15437/24

PQ Question: To ask the Minister for Health the number of people on CAMHS waiting lists by CHO and length of wait at the end of each quarter of each year 2019-2024. –David Cullinane

Dear Deputy Cullinane,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response. I have examined the matter and the following outlines the position.

CAMHS provide specialist mental health service to those aged up to 18 years, who have reached the threshold for a diagnosis of moderate to severe mental health disorder that require the input of a multi-disciplinary mental health teams.

Please be advised that the information requested by the Deputy is already available publically in tabular form and can be found by consulting with the HSE Performance Reports which can be found here: <https://www.hse.ie/eng/services/publications/performance-reports/>

Please see link below which provides CAMHS waiting list data for end of year 2019.

<https://www.hse.ie/eng/services/publications/performance-reports/2019-performance-reports.html>

Please see link below which provides CAMHS waiting list data for end of year 2020.

<https://www.hse.ie/eng/services/publications/performance-reports/2020-performance-reports.html>

Please see link below which provides CAMHS waiting list data for end of each quarter in 2021.

<https://www.hse.ie/eng/services/publications/performance-reports/2021-performance-reports.html>

Please see link below which provides CAMHS waiting list data for end of each quarter in 2022.

<https://www.hse.ie/eng/services/publications/performance-reports/2022-performance-reports.html>

Due to the ongoing FORSA industrial action, the table below provides the latest available information on the number of children and young people waiting to be seen by CAMHS as at end of **August 2023**. Please be advised that this data is preliminary and subject to change and amendment pending ongoing review and validation. Age range is not captured.
