Dear Deputy Murphy,

The Health Service Executive has been requested to reply directly to you in regard to your parliamentary question, which you submitted to the Minister for Health for a response. I have examined the matter and the following outlines the position.

There is not currently a Community Neuro-Rehabilitation team in Dublin South Kildare and West Wicklow. However, we have recently received approval to progress as part of the national Neuro-rehabilitation Strategy Implementation. The plan is for the team to be based in Clondalkin Primary Care Centre and will cover the catchment of Dublin South, Kildare and West Wicklow. The table below includes the funded roles on the team. A recruitment campaign is currently being developed to progress this.

Staff Role	WTE
Senior Physiotherapist	2
Senior Occupational Therapist	2
Senior Speech & Language Therapist	1
Senior Clinical Psychologist	1
Grade IV Administration	1
General Clinical Nurse Specialist	1
Medical Social Worker	1
Consultant in Rehabilitation Medicine	0.5
Occupational Therapy Assistant	1
Community Healthcare Network Manager	1

I trust this information is of assistance to you but if you have any queries or require any further information, please do not hesitate to contact me.

Yours sincerely,

---
