To ask the Minister for Health the number of long and short stay nursing home beds in counties Tipperary, Clare and Limerick, in tabular form; and whether they are from public or private providers.

Dear Deputy Kelly,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response. I have examined the matter and the following outlines the position:

The number of Beds in Public and Private Nursing Homes in Limerick, Clare and North Tipperary are outlined below, please note that the breakdown of Longstay and Shortstay beds in the Private Nursing Homes is not available.

	PUBLIC HOSPITAL BEDS		
	Limerick	Clare	Tipperary
Long Stay (Fair Deal Beds)	184	135	76
Short Stay	85	43	36
Total	269	178	112
	PRIVATE NURSING HOME BEDS		
	Limerick	Clare	Tipperary
Total	722	733	785

I trust this clarifies the situation, but should you require any further information or clarification in this matter, please do not hesitate to contact me.

Yours sincerely,
