RE:PQ 15770/24

"To ask the Minister for Health to provide details on all the engagements between the HSE and any of the developers or corporate bodies who have been involved in the construction of Ballyhaunis Primary Care Centre including correspondence sent or received, messages sent or received, phone calls made or received, meetings held or other interactions; the details of the names of the corporate body or corporate bodies and/ or individuals involved; the dates of all these engagements; the nature of these engagements; the details covered in each of these engagements, in tabular form; and if he will make a statement on the matter"

Dear Deputy Ring

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question which you submitted to the Minister for Health for response. I have examined the matter and the following outlines the position in Primary Care.

Following negotiations, the developer has accepted the original terms set out in the Agreement for Lease and will return to site before the end of September 2024 to complete the project. We await a detailed programme for recommencement and completion.

I trust this information is of assistance to you, but should you have any further queries please contact me.

Yours sincerely

Mary Warde
