PQ 15813/24*To ask the Minister for Health if he will outline plans within his Department for the future use of the St. Vincent's Hospital site in Athlone. -Robert Troy

Dear Deputy Troy,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question which you submitted to the Minister for Health for response.

Following completion of the new Athlone Community Nursing Unit, the service operating from St Vincent's will relocate to the new Community Nursing Unit facility.

The service will review the potential of the building in terms of future use. If there is a service requirement then the building will be repurposed.

Yours sincerely

Brian O'Connell
Interim National Director
