**PQ 15814/24\* To ask the Minister for Health if he will outline plans by his  
Department for an ambulance base in Athlone. -Robert Troy**

Dear Deputy Troy,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the HSE for response

As recently communicated in my previous response to Parliamentary Question 9661/24, it is the HSE's intention to have a Design Team appointed in Q3 2024 to progress with the design of the new Athlone Ambulance Base.

The initial step in the design process will be to review all options for a suitable site for the proposed Ambulance Base in the Athlone locality.

Yours sincerely

---
