Re: PQ 18559/24: An update on the Lucena CAMHS early intervention in psychosis services; which catchment areas will be eligible for this service.

Dear Deputy Ward,

The Health Service Executive has been requested to reply directly to you in the context of the above request, which you submitted for response. I have examined the matter and the following outlines the position.

I am advised by the Lucena CAMHS team that St John of God Community Mental Health, DETECT Youth, Early Intervention for Psychosis service, will be open to referrals from St John of God Community Mental Health, Lucena CAMHS. The catchment for Lucena CAMHS covers CHO6 and approximately one third of CHO7 which is the west Dublin area.

I trust this information is of assistance to you, but should you have any further queries please contact me.

Yours sincerely,

Caoileann Cassidy
General Manager Mental Health,
Community Healthcare East.
