To ask the Minister for Health the number of patients that have been seen weekly, by each discipline (details supplied), by each team within the two CAMHS teams in south Tipperary, Clonmel team 1 and team 2 since January 2024 to date; and if he will make a statement on the matter.

(Details supplied: (i.e., SLT, OT, CNS, ANP and NCHD))

Dear Deputy McGrath,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which was submitted to the Minister for Health for response.

I have reviewed the matter and the following composite reply is the current position.

Community Information data is submitted by all CAMHS teams on a monthly basis, please see table below. The information provided is based on the whole CAMHS team and not on the individual discipline. It is therefore not possible to provide you with the requested weekly breakdown per discipline.

CAMHS Team South Tipperary	Number of CAMHS Patients reviewed January 2024- 31 March 2024
CAMHS Team 1	233
CAMHS Team 2	551

I trust the above clarifies the queries raised.

Yours sincerely

Ms Anne Donaghey
