PQ 6488/24*To ask the Minister for Health the future plans for the old HSE-owned site at St Peter's in Castlepollard, County Westmeath - Robert Troy

Dear Deputy Troy,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question which you submitted to the Minister for Health for response.

The HSE are in the process of transferring a portion of land on the Mullingar Road at St. Peter's, Castlepollard to Westmeath County Council. All internal approvals have been granted for this transaction and the purpose of this transfer is to link the Community School to the town park.

There are residential services with vulnerable users currently located on this site. The Manor House on the campus is currently vacant. Please find enclosed a map of St Peter's Campus and the current status of each building on the site.

The HSE have been in discussions previously and are open to find an alternative use for Manor House in line with the HSE's Property Protocol and the Department of Public Expenditure, NDP Delivery and Reform Circular 11/2015, where the property is offered to all State Stakeholders through the Intra-State Property Register.

Yours sincerely
