7th June 2024

Deputy Cullinane
Dáil Éireann,
Leinster House,
Kildare Street,
Dublin 2.

PQ 7265/24 To ask the Minister for Health the number of patients on primary care and community healthcare waiting lists, for each care service, at the end of January in each of the years 2019-2024; the breakdown by length of wait and by age; the number waiting for initial assessment, initial therapy/intervention and follow up therapy/intervention for each speciality, in tabular form; and if he will make a statement on the matter.

-David Cullinane

Dear Deputy Cullinane,

The Health Service Executive (HSE) has been requested to reply directly to you in the context of the above Parliamentary Question (7265/24) which you submitted to the Minister for Health for response.

The HSE is committed to delivering efficient high quality services to all eligible service users. In 2023, there were over 1.3 million patients seen by HSE primary care services. Primary Care Operations is focused on improving access to care in order to reduce waiting times for patients. This includes monitoring the waiting list on an on-going basis in the context of available resources.

Please find the attached appendices, which contain, in tabular form, details of the waiting lists in each CHO area, as at the end of January 2019 to 2024 as you requested which is the latest data available at this time.

Appendix 1 – CHO Waitlists as at January 2019
Appendix 2 – CHO Waitlists as at January 2020
Appendix 3 – CHO Waitlists as at January 2021 January 2022
Appendix 4 – CHO Waitlists as at January 2023 & January 2024

I trust this information is of assistance to you.

Yours sincerely,

Seán McArt
General Manager Primary Care
National Community Operation
