RE:PQ 7926/24

“To ask the Minister for Health the current progress and planned delivery date for each of the primary care centres planned for Connemara; and if she will make a statement on the matter”

Dear Deputy Farrell

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question which you submitted to the Minister for Health for response. I have examined the matter and the following outlines the position in Primary Care.

Stage 3 of the process was temporarily paused to support the Primary Care Operational Lease Programme nationally. This process is currently in the final approval stage and it is proposed to restart the tender competition in the coming weeks. All developers who have previously expressed an interest will be notified and they will be provided with the opportunity to resubmit. At this time exact delivery dates cannot be confirmed until the tender process and agreement of legal terms is completed.

I trust this information is of assistance to you, but should you have any further queries please contact me.

Yours sincerely

Mary Warde
