RE: To ask the Minister for Health the number of WTE consultants in intensive care medicine at Galway University Hospital in 2023 and to date in 2024, in tabular form. -Duncan Smith

Dear Deputy Smith,

The Health Service Executive has been requested to reply to you directly in the context of the request for information referenced above.

In response to your query, there are 14 Individual Consultants who provide Intensive Care Medicine sessions. 13 of these Consultants are also Anaesthesiologists and work in the Anaesthesiology department, as well as Intensive Care Medicine. One Consultant also works in the Nephrology department.

This group contributed/will contribute:

4.12 WTEs to Intensive Care Medicine in 2023

4.75 WTEs to Intensive Care Medicine in 2024

I trust this clarifies the matter.

Yours sincerely,

Chris Kane
General Manager
Galway University Hospitals
