PQ 1036/24* To ask the Minister for Health the cost, capital and current, required to bring an MRI scanner to Monaghan Hospital; and if he will make a statement on the matter. -Matt Carthy

Dear Deputy Carthy,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Questions which you submitted to the Minister for Health for response. Due to the recent industrial action by management and administrative grade staff in Forsa union in the HSE, there were delays in the processing and answering of Parliamentary Questions. We apologise for any inconvenience this may have caused.

There are currently no plans for a MRI scanner to be installed in Monaghan Hospital. Cavan & Monaghan patients access these services in Cavan General Hospital.

Yours sincerely

Brian O'Connell
Interim National Director
