***PQ 1754/24 – To ask the Minister for Health how many hospital trolleys were purchased and/or discarded in 2023; how many will be purchased in 2024; and if he will make a statement on the matter. - Jim O'Callaghan***

Dear Deputy O'Callaghan,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary question, which you submitted to the Minister for Health for response.

The information you have requested is not collected centrally, however, I have liaised with colleagues in procurement who have advised the trolleys purchased are from within the procurement framework (approved suppliers) and are contained on the enclosed spreadsheet.

The numbers for discarded trolleys are not available centrally.

I trust this is of assistance to you.

Yours sincerely,

**Nessa Lynch**
