Re: PQ 2012/24

'To Ask the Minister for Health for an update on plans to provide additional bed capacity at Mayo University Hospital; and if he will make a statement on the matter. – Alan Dillon'

Dear Deputy Dillon,

Mayo University Hospital has a brief at final draft stage for a bed block, there are provisional plans and drawings and location identified.

There is a national plan in relation to the allocation of acute beds for the next number of years and at this moment we are not clear if Mayo University Hospital is phase 1 or phase 2.

Thank you for your query and I hope this clarifies the matter.

Yours sincerely,

Catherine Donohoe,
Hospital Manager,
Mayo University Hospital.
