PQ 2361/24 – To ask the Minister for Health if the HSE now charges public patients a fee for a MRI scan following a referral; and if he will make a statement on the matter. - Jennifer Murnane O'Connor

Dear Deputy Murnane O'Connor,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary question, which you submitted to the Minister for Health for response.

I am not aware of charges for public patients for a MRI scan following referral in a public hospital.

If you have specific information in relation to a query raised please provide details and I will arrange to look into the matter further.

I trust this is of assistance to you.

Yours sincerely,

Nessa Lynch
