Dear Deputy Gould

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question which you submitted to the Minister for Health for response. I have examined the matter and the following outlines the position.

CUH has recently opened a new Paediatric Emergency Department which consists of

- 7 cubicles with trollies.
- 2 procedure rooms
- 2 rapid assessment and treatment rooms

I trust this information is of assistance to you but should you have any further queries please do not hesitate to contact me.
