Re: Parliamentary Question 4163/24 *“To ask the Minister for Health the waiting times for each hospital department from 2022 to date for the National Orthopaedic Hospital Cappagh, in tabular form”*

Dear Deputy/Minister,

The RCSI Hospital Group has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response. Having reviewed the matter, the following outlines the position.

The HSE now publish information on waiting lists for hospital consultations, treatments or surgery.

This includes information on the number of public patients waiting and how long they are waiting for.

Please see link below;
