To ask the minister for Health further to parliamentary question No 1116 of 25th July 2023, to provide an update on the progress being made on Donard Health Centre, Co Wicklow; and if he will make a statement on the matter.

Dear Deputy Kehoe,

The Health Service Executive has been requested to reply directly to you regarding your parliamentary question, which you submitted to the Minister for Health for a response. I have examined the matter and the following outlines the position.

The Health Service Executive can confirm that Donard Health Centre currently requires significant refurbishment in order to meet Health & Safety Requirements. The Health Service Executive has assessed the building and identified works which are due for consideration under the HSE Minor Capital Programme.

I trust this information is of assistance to you but if you have any queries or require any further information, please do not hesitate to contact me.

Yours sincerely,
