**PQ 56822/23\* To ask the Minister for Health to provide details on a proposed health centre (details supplied: Dispensary Lane, Sarsfield Park, Lucan, Co. Dublin). -Emer Higgins**

Dear Deputy Higgins,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question which you submitted to the Minister for Health for response.

Capital & Estates are engaging with service colleagues on the provision of a Primary Care Centre for Lucan. This project is at the initial scoping stage, with a review of the current and future service requirements for the proposed primary care centre.

Once the overall service requirements have been agreed, the HSE will consider a range of different solutions and mechanisms to progress a primary care centre in the Lucan locality including advertising the location under the Primary Care Operational Lease Model.

Yours sincerely

Brian O'Connell  
Interim National Director  
Capital & Estates
