**PQ 27891/24: To ask the Minister for Health the standard procedure in CHO3 and CHO5 with regard to the submission of sick certificates for HSE staff on sick leave with a critical illness, such as cancer and on TRR; and if he will make a statement on the matter. -Jackie Cahill**

Dear Deputy,

I refer to your recent Parliamentary Question which was sent to the HSE for response.

The HSE Managing Attendance Policy and Procedure states: *'If an absence exceeds two continuous days a medical certificate must be submitted to the appropriate office on the third day of the absence. Follow-up certificates must be submitted on a weekly basis unless the employee is advised otherwise'*. There is, therefore, local management discretion to request medical certificates at alternative intervals.

I trust this clarifies and is of some assistance.

Yours sincerely,
