PQ 28075/24 "To ask the Minister for Health the number of chiropody cards issued by the HSE to medical card holders aged over 66 years in CHO9 in 2023 and to-date in 2024, in tabular form"
Catherine Murphy, TD

Dear Deputy Murphy,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question you submitted for response. I have examined the matter and the following outlines the position.

Please find the details of chiropody cards issued in 2023 and to date in 2024 for Community Healthcare Organisation Dublin North City and County (CHO DNCC):

| CHO DNCC Chiropody Cards Issued | |
|---------------------------------|------------------|
| 2023 | Jan to June 2024 |
| 7332 | 4149 |

Note the majority of these cards are issued to service users aged 65 years and over. There is a small number issued to some medical card holders under the age of 65 years on medical grounds, unfortunately we do not hold this information.

I trust this information is of assistance to you, but should you have any further queries please do not hesitate to contact me.

Yours sincerely,

Fiacra McGuirk
General Manager
Primary Care Dublin North
